Rolling Duffel Bag With Wheels, Expandable Foldable for Travel, Luggage With Handle, Carry-on Duffel, Large Weekend Bag, Black, Expandable Duffel Bag

This carry-on bag is designed without a rigid structure inside, it cannot stand upright when empty and requires proper packing to hold its shape. For better stability and not falling over, we recommend placing heavier items at the bottom when packing to maintain balance, avoiding top-heavy loads to prevent tipping and distributing weight evenly for better balance
